

HOT ROD HOEDOWN AND ROCK & ROLL RUMBLE

SUNDAY, SEPTEMBER 10, 2000 ★★★★★

The first ever Hot Rod Hoedown and Rock & Roll Rumble was so much fun, and such a successful event, we will be doing it again on Sunday, September 10, 2000, at 5th & Spring Garden St., Philadelphia, PA. This years event will run from noon to 5pm, and the bands will be playing all day, into the night at the bar. We are planning to use the space better to fit more cars, cycles and bikes. Last year we had well over 100 cars (plus a few dozen just parked around), so this year we'd like to preregister that many! We are working on more entertainment, special guests, featured vehicles, live entertainment, free giveaways and surprises throughout the day. If you have any ideas, or wish to be of help in any way, please contact us. This includes companies interested in sponsorship, promotions, giveaways, and advertising in our event magazine "Hoedown Lowdown". We plan to expand the show + awards, into more specific classes, while retaining a sense of humor and fun!

Besides promotion, volunteers are needed for setup, cleanup, and security. We appreciate any help you can give.

We are accepting preregistration forms now. This years Hoedown will be 1970 or earlier American made cars, trucks, antique, classic, kustoms, hotrod, lowriders, cruisers, daily drivers, beaters, projects. Motorcycles and bicycles are any brand, any year welcome.

Our main requirement is that these vehicles are **DRIVEN!** No trailered cars, no kit cars. We believe the fun in all this is driving, cruisin' and racin' around in some wild, kool, krazy kromed kustom or car! If you ever wanted to show your car before, but thought it wasn't good enough...trust us, it is good enough! Also, if you have greasy hair, and a cool car, and don't come, you are a big smelly poser.

In case of rain, the event will move to Sunday, September 17, 2000. (same time of day)
